

REMARKS

After entry of the foregoing amendment, claims 1-26 are pending in the application. A clean copy of the claims is attached to the end of this document.

On reviewing the originally filed claims, it was noted that there was no claim 5. The claims have been renumbered accordingly.

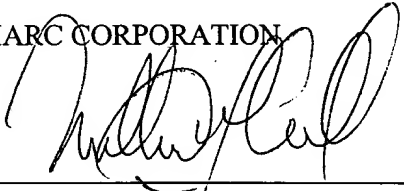

New claims are submitted to more fully protect applicant's inventive work.

Favorable consideration and passage to issuance are solicited.

Respectfully submitted,

DIGIMARC CORPORATION
